

P/N 54-10061/75-10061

'99.5-'01 Ford F250/350 Power Stroke Stage 1 Cold Air Intake System

More horsepower
in less than 30 minutes

Washable/reusable high flow conical air filter with full velocity stack for increased airflow and better performance.

Durable 16 gauge powder-coated heat shield seals to the hood and incorporates an innovative rain guard to keep rain and snow out.

No cutting or drilling!
Designed to snap into the base of the factory air box.
Installs in 15 minutes.
